

## **Installation Crew Leader**

We are searching for new installation team members to help us provide high quality installations for our customers. The job skills needed for this position are those of a well-rounded construction professional. We will train the right candidate who has demonstrated adaptability, learning skills, and problem solving ability.

Skills needed for this position include:

- Concern for quality in all aspects of the job
- Ability to learn and understand best practices of installation
- General understanding of concrete work, fencing and general carpentry
- Ability to work well in a crew environment as well as work alone on a particular project
- Ability to communicate professionally with customer site management and perform duties in a manner that will maintain a positive image for our company
- Take care of tools and materials and maintain job site cleanliness
- Follow company and industry safety rules, practices and procedures
- Perform duties as assigned by crew leader

### **Requirements**

- High school diploma or general education degree (GED)
- Ability to communicate with others to convey information effectively
- Ability to read and understand instructions and work specifications
- Must be willing to work outdoors with exposure to all weather conditions
- Must be able to perform physical activities that require considerable use of the arms and legs and moving the whole body, such as climbing, lifting, balancing, walking, stooping, kneeling, bending, and handling of materials, equipment and tools
- Must be willing and able to travel and work out of town on various job sites
- Must hold a valid driver's license
- Position is subject to random drug testing
- Past construction experience is a plus.

Compensation varies with experience.

Job Type: Full-time

Salary: \$25,000.00 to \$50,000.00 /year
